

Introducing...

# QuickText

Reach mobile job seekers when and where they want it.

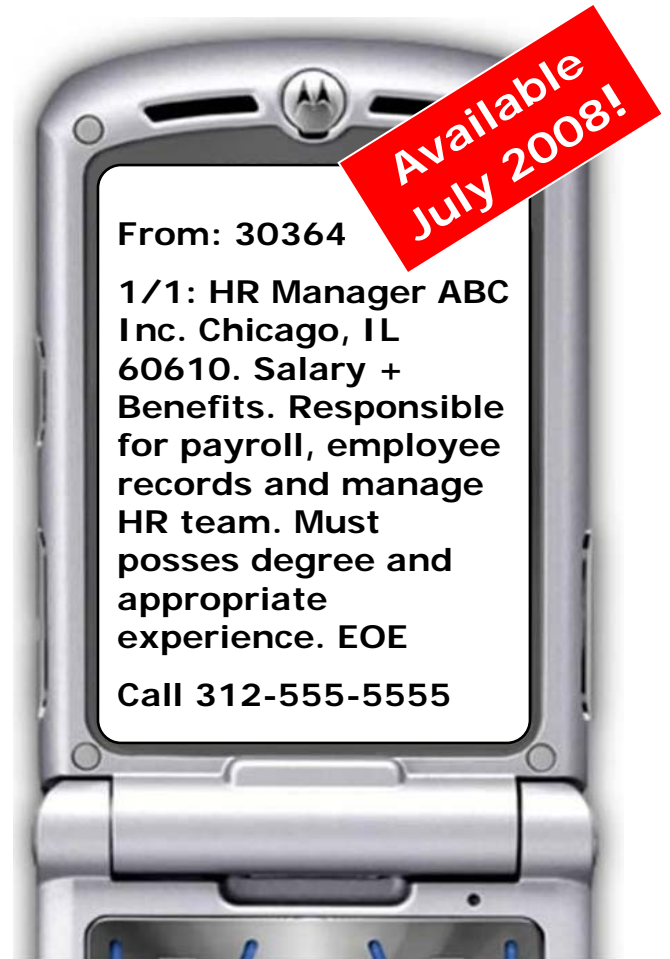

## HOW IT WORKS...

- Job seekers see your job listing in the Chicago Tribune
- Job seekers text the WEB ID to 30364 from any area code
- Your job listing is sent to their mobile phone via text message

## IT'S THAT EZ!

### Included with every Chicago Tribune job listing, QuickText:

- Gets your career opportunities in the hands of today's mobile job seekers
- Intelligently formats job listings for an easy, readable message
- Allows job seekers to have your job listing emailed to them
- Sends reminders to job seekers about recruitment events and job fairs
- Features company logos with web link

## They request it. We text it.

While delivering the best experience for job seekers based on the type of mobile phone service they use, job seekers get your job listings the way they want them.

To find out how job seekers can get your career opportunities sent to their mobile phone with Chicago Tribune QuickText call 312-222-4211.
